Client: Villa College, Maldives
Work: Developed the curriculum for the Data Management and Research module for the Banking and Finance (Bank of Maldives Riveli) Programme, now taught at the largest private college in the Maldives.

PROFESSIONAL WORK EXPERIENCE

Noonu Atoll Local Authority Company Limited Jan 2024 – Jul 2026
Finance Manager (financial governance & project finance) Remote, United Kingdom / Noonu Atoll, Maldives

- Finance manager for a company owned by the Noonu Atoll Council, responsible for financial governance, reporting and project finance across place-based development and climate-resilience initiatives.

Business Centre Corporation Limited Jan 2020 – Nov 2022
Financial Controller (with economic development, research & project delivery responsibilities) Malé, Maldives

- Moved with the national Business Centre when it was corporatised from the Ministry of Economic Development into a state-owned enterprise, the Maldives' national SME body. Led budgeting, forecasting, financial reporting and compliance, alongside research, economic analysis and feasibility studies. Contributed to the World Bank–financed MEERY Project and the UNDP-funded SEEDS initiative, drafting proposals and coordinating government, donors and delivery partners, and helped coordinate the national Covid-19 Recovery Loan and Income Support schemes.

Ministry of Economic Development Apr 2019 – Dec 2019
Manager, Business Centre Malé, Maldives

- Contributed to economic development policy by providing insights from MSME engagement to the Ministry, informing programmes to improve access to finance, skills and markets for small businesses.

Islanders Group Apr 2018 – Apr 2019
Accounts Executive, Accounts and Finance Malé, Maldives

- Managed revenue tracking, tax compliance, intercompany reconciliations, budgeting and forecasting across group entities.

Maldives Inland Revenue Authority
Senior Tax Officer, Large Corporate Audit

Mar 2017 – Feb 2018
Malé, Maldives

- Conducted tax audits of the country's largest taxpayers, testing complex declarations against national tax law.

Maldives Customs Service
Assistant Customs Officer (Grade 2), Valuation and Documentation

Jun 2013 – Jan 2014
Malé, Maldives

- Valued and validated import prices under the WTO Valuation Agreement, calculated import duties, and issued import and export licences.

Ministry of Finance and Treasury
Assistant Statistical Officer, Department of National Planning (now Maldives Bureau of Statistics)
Malé, Maldives

Oct 2012 – Jun 2013

- Collected, validated and calculated price data for the national CPI and PPI, and supported household survey fieldwork and GDP calculations.

VOLUNTEERING ACTIVITIES

Maldives Red Crescent
Finance Commission Member

Feb 2020 – Apr 2023
Malé, Maldives

- Assessed consistency of accounting policies with international standards; reviewed financial reports and audited statements; communicated with auditors; and prepared reports for the General Assembly to support approval decisions.
